Gifted & Talented: The district is asking each school for one parent representative to sit on the G&T Advisory committee. The committee will meet monthly to determine the plan for the district. All SCC's/PTO's need to call for a volunteer and the SCC will determine who the school rep will be. Kendeyl Johansen has volunteered to serve. PTO is happy with her as a rep. When the SCC decides, the Principal then needs to contact Lori Gardner with his rep's name and contact info. Also, the reps need to plan on attending the May 20th meeting from 4:00-5:30.

SIP Plan to be in "box" format
